# Installation

**1** Make sure the power is switched off. The assembly of Fost Large Bulb requires at least two people.

**2** Drill 3 holes with 390mm between them. Make sure you use the correct type of drill for the material you are drilling into.

**3** Insert plugs and screw the ceiling disk into the plug.

**4** Insert the steel cable with ball end into the ceiling cap. Then mount the ceiling cap on the ceiling disk.

**5** Push the three steel cables into the cable adjusters and adjust them to the correct height. Make sure to thread the steel cable through the rubber rings on the cord.

**6** Connect the lamp to power supply and put the light bulb in the socket. Depending on your order, Fost Large Bulb is delivered with E26 or E27 fitting. The light bulbs are not included.
